^{*} All students with the Chinese nationality (this does not apply to students with a passport from Hong Kong, Macao and Taiwan) must register with Neso Beijing for a Neso Certificate before their visa applications can be filed. The Dutch Immigration and Naturalisation Service (IND) does not process Chinese visa applications without the Neso Certificate. In order to register for a Neso Certificate, students will have to take the IELTS test (International English Language Testing System / Academic module) and send the IELTS Test Report Form to Neso Beijing together with the Neso Certificate Registration Form. Please note that a TOEFL test will not be accepted. For more information about the application procedure for a Neso Certificate please consult www.nesochina.com.
